stratégies de survie
aveugle

Issu d’une séquence ayant pour titre provisoire the butterflies and the burnings, ce texte d’Anne Blonstein révèle une inspiration marquée par la souffrance. Des liens intertextuels avec des textes historiques ou hagiographiques, voire mystiques, apparaissent ici et là, au cœur de ces variations génériques et thématiques autour d’un fil conducteur rouge sang, et nourrissent la recherche intense de points d’appui et d’expérimentation.
